Disclosure Statement (Continued)

This Disclosure Statement provides information about the TEACH Grant that your school plans to disburse (pay out) by crediting your account, paying you directly, or both. It replaces any Disclosure Statement that you may have received previously for the same grant.

You must have signed a TEACH Agreement to Serve/Note (ATS) before your grant money is disbursed. The ATS explains the terms of your grant. If you have any questions about your ATS or this Disclosure Statement, contact your school.

Item 7 on the front of this Disclosure Statement provides the following information about the amount of the grant your school plans to disburse to you:

- **Award Amount** – This is the total amount of the grant you are receiving. You will be responsible for repaying this amount if your grant is converted to a Direct Unsubsidized Loan.
- **Date and Disbursement Amount** – This shows your school's plan for disbursing your Award Amount to you. The actual disbursement dates and amounts may be different than the dates and amounts that are shown. Your school and the Direct Loan Servicing Center will notify you of the actual disbursement dates and amounts. If your grant converts to a loan, you will be responsible for paying any interest that accrues from the date of the disbursements.

Before your grant money is disbursed, you may cancel all or part of your grant at any time by notifying your school.
